### **Trustees' Annual Report (Incorporating the Director's Report)**

**Year ended 30 June 2017**

#### *Recruitment and appointment to the Board of Directors*

New trustees are recruited by making it known in the community through various channels that new trustees are being sought. These channels include notice boards, newsletters, social media and word of mouth. Willing and successful candidates are appointed in accordance with the charity's Articles of Association.

A person shall not be eligible to be a trustee unless they are a member of the company. At each AGM the members may elect any member to be a trustee subject to a vacancy being available. The Board of Trustees may at any time appoint any member to be a trustee subject to a vacancy being available.

#### **Objectives and activities**

The company's objects are to promote the benefit of the residents of Strathglass and District by associating the local and other statutory authorities, voluntary organisations and residents in a common effort to relieve poverty, advance education, further health and in the interests of social welfare promote the provision of facilities for recreation and other leisure time occupation so that the conditions of life of the aforementioned residents may be improved.

The charity was established in June 2009 to enable the local community to take on the running and management of the village hall in Cannich.

#### **Achievements and performance**

The company continues to provide hall and meeting room facilities for a significant number of administrative, social, leisure and sporting organisations both locally based and from other areas. It provides part-time employment for a caretaker and a bookings secretary. During the year the transfer of the twice-weekly GP surgery to the hall was successfully completed and the company has entered into discussion with the NHS about a possible community purchase of the former nurse's house which became surplus to the NHS's requirements once the surgery had been moved. With the aid of grant funding an emergency generator connection port was installed at the hall as an essential part of the Strathglass Community Emergency and Resilience Plan.

### Trustees' Annual Report (Incorporating the Director's Report)

Year ended 30 June 2017

The company is looking to expand its role within the community. #### Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;

### **Independent Examiner's Report to the Trustees of Strathglass and Affric Community Company Limited**

**Year ended 30 June 2017**

I report to the trustees on my examination of the financial statements of Strathglass and Affric Community Company Limited ('the charity') for the year ended 30 June 2017.

To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity, its members as a body and its trustees, for my independent examination work, for this report, or for the opinions I have formed.

#### **Responsibilities and basis of report**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 ('the 2005 Act'), the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Companies Act 2006 ('the 2006 Act'). You are satisfied that the accounts of the company are not required by charity or company law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 44(1)(c) of the 2005 Act. In carrying out my examination I have followed the requirements of Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

#### **Independent examiner's statement**

Since the charity is required by company law to prepare its accounts on an accruals basis and is registered as a charity in Scotland your examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006 (as amended). I can confirm that I am qualified to undertake the examination because I am a registered member of ICAS which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act, section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; or
2. the financial statements do not accord with those records or with the accounting requirements of Regulation 8 of the Charities Accounts (Scotland) Regulations 2006; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

#### 3. Accounting policies *(continued)*

##### Incoming resources

All income is included in the statement of financial activities when the charity is entitled to the income, any performance related conditions attached have been met or are fully within the control of the charity, the income is considered probable and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Donations and legacy income is received by way of donations, legacies, grants and gifts and is included in full in the Statement of Financial Activities when receivable. Where legacies have been notified to the charity but the criteria for income recognition have not been met, the legacy is treated as a contingent asset and disclosed if material. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Donated services and facilities are included at the value to the charity, being the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market.
- Investment income is included when receivable.
- Income from charitable trading activity is accounted for when earned.
- Income from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Costs of raising funds comprise the costs associated with attracting donations, grants and legacies and the costs of trading for fundraising purposes.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.
- All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis, as set out in the notes to the accounts.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

Year ended 30 June 2017

#### 3. Accounting policies *(continued)*

##### Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	-	2% straight line
Equipment	-	25% straight line

##### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

##### Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

#### 4. Limited by guarantee

Strathglass and Affric Community Company is a company limited by guarantee and accordingly does not have share capital.

Every member of the company undertakes to contribute such amount as may be required not exceeding £1 to the assets of the charitable company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member.
